March 7th Daylight Savings Time Begins

This weekend, we will be changing our clocks to begin Daylight Savings time. Remember to put your clocks one hour ahead before you go to bed on Saturday evening.

Term Two Report Cards

Your child's second formal report of the year went home yesterday. Please remember to return the report card envelope (which is used again for Final reports in June) to your child's teacher or to the office.

Innovation Week March 9th to March 13th

As you probably know by now, some students in the intermediate classes have decided to participate in Beach Grove's second Innovation Week. Innovation Week is a week dedicated to supporting our students in developing the competencies of creative thinking, critical thinking and communication (see new BC curriculum: <https://curriculum.gov.bc.ca/competencies>).

Between the dates of March 9th and 12th, students will have two hours each afternoon to work on exploring a question of their choice, connected to a personal passion. We are extremely excited about offering this opportunity. Each child will be working towards developing a deeper understanding of the topic that they have chosen, and will share their work in the gym on Friday, March 13th in the afternoon.
