Dear Parents/Guardians of Beach Grove Elementary Students,

As stated in previous communication, we are pleased to announce that we will be issuing **online Term Reports, commencing this December of 2019**. This is an easy way for you to view the current term report and the history of report cards for your child. You can view the report card on-line from any of your electronic devices. Optionally, you may choose to print the report card for your records.

Accessing report cards online will be through “Parent Connect”. Parents will need to Login to “Parent Connect” and click on the “Folder” tab. On the left hand side of the webpage you will see a column of view buttons. Click the “View” button beside the report card you want to see, and it will open up as a PDF File. There may be a slightly different process depending on your personal device and PDF Reader you have installed. ***The most recent report card will always be displayed at the top.*** If your child attended another Delta school in the past, you will also be able to find previous report cards as well.

If you require any help with “Parent Connect”, you can contact the office at 604-943-0108 for assistance.

Sincerely,

Mark Douangchanh  
Principal, Beach Grove Elementary
