URGENT:

Dear Parents and Families,

As part of the Provincial Health Officer's requirement for students to return to school, parents must agree to conduct a daily health check before sending your child(ren) to school each day. Parents must go onto Parent Connect for each child to read the "Daily Health Check" form and check the box that you acknowledge your responsibility to complete the daily health checks. This is not optional and must be completed prior to your child(ren) attending School on September 10th. **You are only required to do this once in Parent Connect. You are agreeing to conduct daily health checks with your child(ren) before sending them to school, but do NOT send a form to the school each day.**

In order to view permission forms, parents will need to log into Parent Connect. The link is included here: <https://cimsweb.deltasd.bc.ca/schoolconnect/parentsignore.aspx>

Once you are at the sign in page, there are links with further instructions to help you log on. (**Popups must be allowed on this site to access all information**). To access all permission forms, click on the forms button.

While you are in the forms section in Parent Connect, please complete the daily health check form, and review/authorize the following forms that need to be completed annually.

1. Google Apps for Education (for grades 4-7 only)
2. Family Demographic Information
3. Emergency Release Information
4. Outside Media In Schools
5. Personal Information Consent
6. Walking Field Trips
7. Fee Structure and Policy Document

Please note that our "Fruit and Veggie" program is currently on hold until further notice and parents do not need to update the "Fruit and Veggie" form at this time.

Thank you for your prompt attention and support as we all work together to keep our community as safe as we can.

Sincerely,

Mark Douangchanh
Principal, Beach Grove Elementary
