Dear Parents and Families,

Our amazing PAC has made it possible for our kids to participate in Hip Hop this week. The kids have been having a wonderful time and our Hip Hop instructors have been amazing.

With the loosening of COVID Guidelines, we are looking for ways to **slowly** ease ourselves into some activities that we have not considered for over two years.

On **Tuesday, April 12th** there will be an opportunity to see your child perform their Hip Hop routine in our gym. Please know that this will not look like your typical assembly. **We have purposefully organized this day to limit and control the amount of people in the building throughout the day.**

- Each child will be allowed to bring **two family members** to see their Hip Hop routine during their scheduled time on Tuesday.
- Hip Hop Routines will also be recorded during their dress-rehearsal the day before, for those family members who are unable to attend on Tuesday.
- To help us with crowd control, please come as close to your child's scheduled time as possible and line up outside the gym. Family members will be invited in to see their child's performance as per the scheduled times below.
- Please only stay for your own child's performance. We realise that for some parents, this may mean coming to the school multiple times throughout the day and we apologize for any inconvenience.
