Gr. 4 to 7 Track Students- District Track Meet on Thursday, May 19th

May 13, 2022

Dear Parents/Guardians:

Congratulations! Your child has qualified to participate in the **District Track Meet on Thursday, May 19th**. The meet will be held at South Delta Secondary School. Students are responsible for their own transportation to and from the track meet. The meet begins at **9:45 AM and will end at approximately 2:30 PM**. Students should be in the stands no later than **9:30 AM** and are to report to the Beach Grove teacher in the stands who will be taking attendance and handing out jerseys. **Attendance will be taken and it is of utmost importance that each child signs in upon his or her arrival and to also have his or her name checked off when leaving the meet at the end of the day.**

At the end of the day, students will need to check out before leaving. If your child is finished their event(s), you are welcome to sign your child out and take him/her home.

The track meet will be on rain or shine so it is important that students dress for the weather. Sunscreen, a hat and lots of water are essential if it is going to be a warm sunny day!

All students are reminded to dress appropriately and to have their names printed on all of their belongings. Valuables should be left at home.

Students' electronic devices must remain in their backpacks for the duration of the meet. The school is not responsible for these items. Students are not permitted to take photographs or video recording on their own devices. As per all school events, pictures taken by parents of other students should not be posted on social media.

The high school cafeteria will be open but it is strongly suggested that students pack a lunch. The line-up for the cafeteria may be very long and we don't want students to miss their event or go hungry.

All parents are encouraged to come and watch the track meet. Thank you for your support!

If you have any questions, please contact the school.

Sincerely,

Mark Douangchanh
Principal, Beach Grove Elementary
