Dear Beach Grove families,

Today is Black Excellence Day. To commemorate the event, classes have been doing a variety of activities about notable Black peoples from Canada and around the world. Many students wore black shirts and classes worked on a variety of activities highlighting Black Excellence and notable Black Canadians. This week over the announcements some notable Black Canadians we learned about are Viola Davis Desmond, Eleanor Collins, and today we learned about Arlene Duncan. We hope you take some time to ask your child/children about what they learned about Black Excellence day.

Weather and Extra Clothes

As the weather continues to be wet and cold, we are asking families to please send along an extra change of clothes. This will help prevent students from needing to call home if they end up needing a dry set of clothes. In addition, as we want to keep our gym floor free from scuffing and from dirt for outside, we are reminding everyone to please have your child bring their gym shoes on days they have gym. If you need to know the days your child has gym, please don't hesitate to connect with your child's teacher.

Fun Lunch – Panago Pizza - Ordering is now closed. Once we know our new vendors, families will be able to order for future dates.

Our next Fun Lunch is on Friday, January 20th. **Fun Lunch ordering is now closed.**

A reminder, we are trying to be more responsible with our waste and are promoting a “pack it out, pack it in” routine with Fun Lunch. As such, students will be bringing home their Fun Lunch packaging to be recycled.

A reminder that Fun Lunch is ordered through Munch-a-Lunch. Links for ordering are below

Adults T-shirts are \$20.00. Available in XS-3XL

These shirts have very little markup as we want to focus on building community around kindness and pink shirt day. This one isn't about the money raised!

T-shirts will only be available by pre ordering on munch-a-lunch.
Ordering deadline is Tuesday January 17th.

Traffic – Braid Street and Staff Parking Lot

Thank you to all families who walk/ride along Braid, for continuing to be mindful of the residents on Braid who need to drive on the street. Please do exercise good pedestrian safety while venturing to and from school. There have been several reports of families walking in the middle of the street, while Braid residents are attempting to drive by. Please do move to the side to allow for traffic to flow as you make your way to and from the school. Your safety and the safety of our community is so important. Finally, a reminder that families are asked to please not park in the staff parking lot for pick up and drop off. Thank you for your cooperation with this.

Have a wonderful weekend.

Sincerely,

Mr. Billingsley
Principal
