## Office of the Principal

February 2023

Dear Parent:

Delta School District endeavours to provide one or more Kindergarten classes in each elementary school. The number of classes, which are designated for a school, will depend upon projected enrolments, actual registrations and available space in the buildings and compliance with Ministry mandates for class size averages.

When children are registered for Kindergarten, they are enrolled for the program and not necessarily to a particular class or school. Although highly unusual, when Kindergarten enrolment reaches or exceeds the maximum planned for a particular school, we may not be able to accommodate all of the children who have registered for Kindergarten for September 2023, and it may become necessary to have some children attend the closest school that has space. As some families may move during the summer, it may not be possible to confirm accommodation for some children until the start of school in September.

It is possible that we will not be able to accommodate all of the students, who have been registered for September 2023. Because families move during the summer, it may not be possible to confirm accommodation for some children until the start of school in September.

So that both the school and most parents can proceed with planning for children's entry into Kindergarten in September, a schedule showing the hours your child/(ren) will attend during the first two weeks of school will be mailed to you before the end of June. Parents whose children may have to attend another school for their Kindergarten year will have this noted on the schedule. If you find such a note on your schedule, please telephone the school (943-0108) during the week prior to school opening to confirm which school your child/children will attend.

Thank you for your understanding. We will continue to strive to provide a smooth entry for your child/children into Delta Schools.

Yours truly,

Mr. Jody Billingsley  
Principal
